opening. Senator Suttle has been very willing to work through this bill, if that is possible, but I told her today I wouldn't ask her to just pass over it. I would put her in a position where she's going to have to do something or other. Then I'm going to offer a motion to bracket or see if I can get unanimous consent to do so, and if that's successful it will be clear that Senator Suttle is not asleep at the switch. She is not just passing this bill over on whim because I'm doing it on whim. Had there not been the types of issues that my time was taken up with, I would be better prepared on this bill than I am. I would have paid attention to it as it was moving across the board, and I would have expressed objections at that time. Maybe through amending we could have arrived at a bill which places...

PRESIDENT MAURSTAD PRESIDING

PRESIDENT MAURSTAD: One minute.

SENATOR CHAMBERS: ...reasonable regulations on this activity with reasonable licensing requirements, but no provisions that are exclusionary. And, with that, I will sit down and see what course the discussion takes and, from there, attempt to plot my next move, well, I should say plan my next move because this is not really a plot on this bill, yet.

PRESIDENT MAURSTAD: Thank you, Senator. Members, while the Legislature is in session and capable of transacting business, I propose to sign and do sign LB 270, (LB) 48, (LB) 20, (LB) 20A, (LB) 61, (LB) 66, (LB) 66A, (LB) 77, (LB) 168, (LB) 195, (LB) 227, (LB) 317, (LB) 212, (LB) 268, (LB) 437, (LB) 473, (LB) 474, (LB) 46, (LB) 64, (LB) 106, (LB) 363, (LB) 422, (LB) 669, and (LB) 669A.

For further discussion on the motion to return LB 68 to Select File to strike the enacting clause, Senator Landis.

SENATOR LANDIS: Mr. Speaker, members of the Legislature, I put my light on. I think Senator Suttle's entitled to talk here very, very soon, but I'm going to exercise my opportunity at this moment. I'm going to vote against this motion because I don't think it's the right motion. Think the right motion is
